

Resolution 2016-01

**Where as:** Due to the problems with the Bo-Boen snowmobile club groomer not raising the drag and leaving two strips of snow across the driveways over the years the Cloverland Town Board closed the trail in the road right-away on 3-5-2015 on Old Hwy 70 between Birchwood Drive and State highway 70.

**Where as:** The Cloverland Town Board is allowing Bo-Boen snowmobile club back on the road right away with the following conditions. They raise the groomer drag a foot before going over all driveways in the town. If Bo-Boen snowmobile club groomer doesn't raise the drag and leaves two strips of snow across the driveways the trail automatically gets closed and the snowmobiles will be on the road.
