

**Town of Cloverland  
Resolution 2011 - 04**

(a) Purpose.

(1) Section 5.15, Wis. Stats. requires all cities, villages and towns with a population of one thousand (1,000) or more to establish municipal wards based on the results of the 2010 census. Section 59.03(3)(6), Wis. Stats. requires that each county board adopt and transmit to each municipal governing body in the county a tentative county supervisory district plan, dividing the county into districts and designating the approximate location and population of each ward proposed to effectuate the division of the county into districts. These laws require that each municipality designate by consecutive whole number, geographical description and population, the various wards to be created within the municipality

(b) Whereas: The Town of Cloverland has a population of 1029 is required to establish 2 wards in the town with close to equal population in each ward. Ward 1 has a population of 521 and Ward 2 has a population of 508. Town Supervisors and Chairman will still continue to be elected on an at-large basis and not by ward.
