

Resolution 2013-03
Town of Cloverland
Vilas County

Re: Weapons Ban in the Cloverland Town Hall

Whereas Wisconsin Statute § 943.13 provides that Town Government can ban weapons in the town hall and Town sponsored events;

Whereas the Town of Cloverland Town Board desires that no weapons be allowed in the Cloverland Town Hall or at Town sponsored events ***with the exception of Wisconsin Department of Natural Resources Hunter Safety Classes.***

Therefore be it resolved that the Cloverland Town Board does institute by this resolution that no open or concealed carry weapons be allowed in the Cloverland Town Hall or at Town sponsored events.
